2,000 kg
Slave Pot
Hauler

THISTLE GROUP

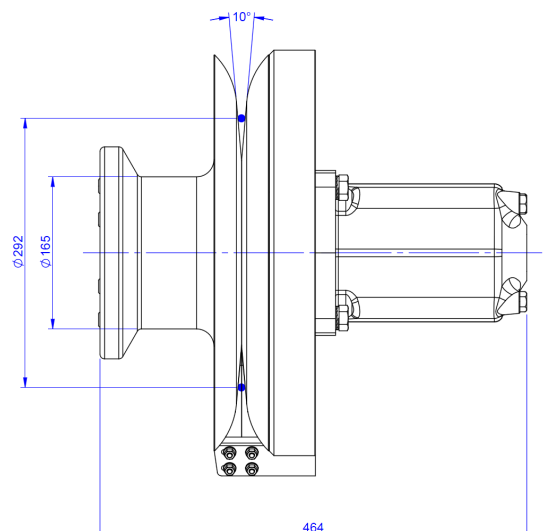

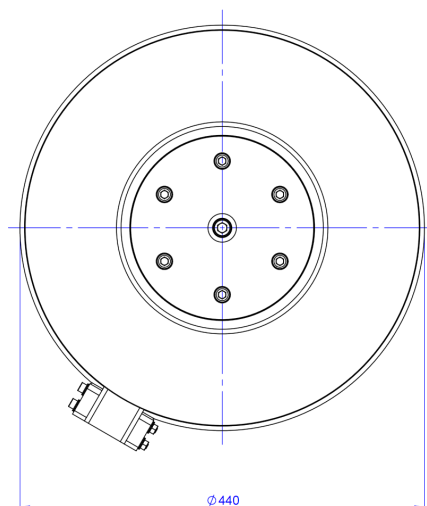

The 2,000 kg slave pot hauler is a robust, harsh environment capable rope hauler suitable for a variety of purposes. With maintenance free bearings and constructed from sea water corrosion resistant components. This hauler is capable of hauling rope from 8mm to 16mm diameter by adjustment of the sheaves and ejector knife to ensure optimal performance. The integrated auxiliary capstan drum allows additional rope hauling activities to be performed. Supplied with or without mounting bracket and with hand or foot pedal control as required.
