700kg  
Multi-purpose  
Hose Hauler

# THISTLE GROUP

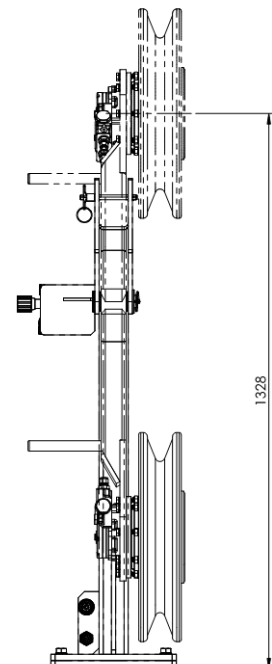

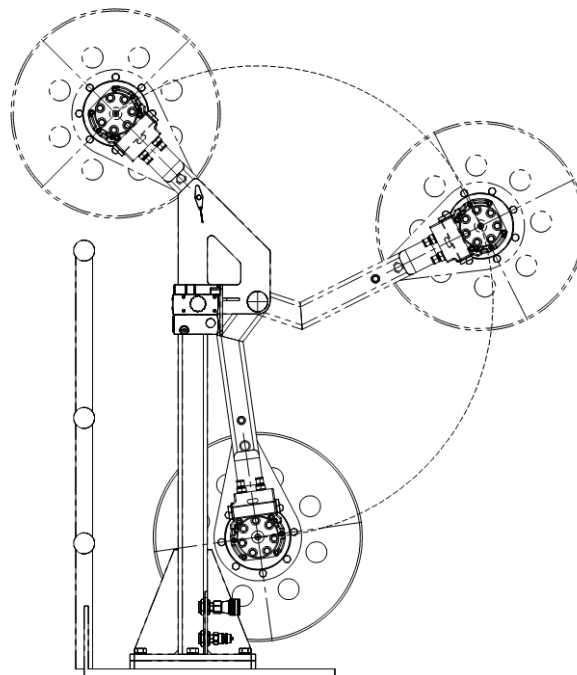

This multi-purpose hose hauler is a robust, harsh environment hose and rope hauler suitable for a variety of marine uses. Ideal for the over-boarding and retrieval of hose bundles, the hauler features a manual pivoting arm to allow the hauler to be folded down when not in use. It also features a split base to allow it to be removed from the deck when not in use or to move it between vessels. The sheave diameter, profile and bracket height can be sized to suit your hose handling and vessel requirements. Comes with hydraulic quick connects for easy connection / disconnection.

Technical Data (Based on 375mm sheave)	
Maximum Line Pull:	700 kg
Working Line Speed:	0.1 to 1 m/s
Maximum Working Pressure:	150 bar
Maximum Oil Flow:	20 LPM
Weight:	125 kg

Key Points:

- Small footprint
- Lightweight
- Folds up when not in use
- Marine paint system
- Removable from base
- Hydraulic quick connects
